On the back of this test or on a separate piece of paper list the breeds that are 6-Class breeds in one column and the breeds that are 4-Class breeds in another column. Label the columns 6-Class and 4-Class so that the grader knows which is which. Finally, count the breeds in each column and fill in the blanks below.

How many 6-Class breeds are there? _____

How many 4-Class breeds are there? _____

How many of the Lop breeds are classified as 4-Class? _____
